MISS ANNIS BECKER AND OWEN EMERY ARE MARRIED

Ceremony Held In Home of Mr. and Mrs. E. U. Emery Friday Afternoon

Annis Virginia Becker yesterday afternoon became the bride of Owen C. Emery at a wedding held in the home of the bridegroom's parents, Mr. and Mrs. E. U. Emery, 329 North Kenwood street, at 2:45 o'clock. Only immediate relatives and several friends of the young couple were present at the ceremony, which was performed by the Rev. W. E. Edmonds of the First Presbyterian church.

The bride and bridegroom stood under a beautiful bower of ferns and hydrangeas to plight their troth, the former wearing a dainty taffeta gown and carrying a shower of Cecil Brunner roses. Miss B. Barry of Los Angeles was the only attendant.

Leave on Honeymoon

Shortly after the ceremony the newly weds departed for a honeymoon trip which will include several southern California beach resorts and during the month of August they will reside at Ocean Park. About September 1 Mr. and Mrs. Emery will establish their home here.

Mrs. Emery is the daughter of Mrs. W. Williams of Tennessee and has lived in Los Angeles for several years with her sister. She has made many friends among the local younger set.

Served in World War

Mr. Emery has resided here for fifteen years, graduated from Glendale Union High school and the University of Southern California law school, and for several years has engaged in the practice of his profession.

During the recent world war he rose from the ranks to a lieutenancy and served eighteen months with the American Expeditionary Forces in France. He is a director of the Glendale Chamber of Commerce and active in American Legion affairs besides being a member of several lodges.

Rufus Hammond Weds on Visit to Missouri

News of the marriage of Rufus Hammond of Glendale and Miss Katie Barclay of Carrolton, Missouri, comes as a surprise to Mr. Hammond's many friends in Southern California. The wedding took place at the home of the bride and the couple plan to motor to California in the early fall and build a pretty home in Glendale.

Mr. Hammond is an old resident of this city, having lived here for the past twenty years, and his friends are waiting anxiously to greet his bride.

Miss Ferne Sanborn Graduates With Honor

Friends of Miss Ferne Sanborn, who resided in this city several years ago will be pleased to know that she has recently graduated with honors from the MacDonald college in Quebec, Canada. She is now residing at Bishop's Crossing, which is a little hamlet located just across Lake Superior in the northern province, where she went after leaving Glendale.

Miss Sanborn will be remembered as the granddaughter of the late O. A. Bishop.

Mrs. J. D. Rathbun Is Hostess at Luncheon

Mrs. J. D. Rathbun of 423 Colorado boulevard entertained recently at a very pretty luncheon. Her guests were Mrs. Sylvia Goldthwaite, Miss Jane Goldthwaite and Mrs. Carmicheal of Hollywood, Mrs. B. W. Crowe of Los Angeles and Mrs. M. B. Compton of Glendale. Mrs. Carmicheal is the mother of Mrs. Mervin Carmicheal of Marion, Indiana, who is the house guest of the Rathbun's during the Elks' convention.

Mrs. C. C. Stoler Is Hostess to Live Coles

The Live Cole Class of the Christian church met Friday night at the home of Mrs. C. C. Stoler, 339 West Colorado boulevard. After a short business meeting at which Mrs. Homer Miller, the class president, presided the evening was devoted to games and a pleasant social time. Light refreshments were served by the hostess.

REUNION OF FOLKS FROM KENTUCKY IN H. M. DOLL'S HOME

More Than Score Gather to Celebrate; Many Meet for First Time In Years

One of the most unique local social functions of the past week was the old-time "Kentucky Home" reunion and reception given on Wednesday night at the home of Mr. and Mrs. H. M. Doll of 727 South Louise street. The affair was given in honor of Mr. Doll's brother, Martin Doll, and wife of Louisville, Kentucky, who accompanied the Louisville Elks' delegation to the Los Angeles convention.

The novel feature of the gay party was the fact that the twenty-five guests were natives of the famous state. Some had not seen each other for several years, and it was, in every sense of the word, a typical southern reunion.

The evening was enjoyed by all present in games, music, dancing and a general social time. The spacious Doll residence was gorgeously decorated with a combination of American flags, Elks' emblems of purple and white and hundreds of beautiful red and white carnations. Dainty refreshments were served at a late hour. The festivities came to a close with the singing of "Old Kentucky Home" by the entire assemblage.

Other members of the Louisville delegation were Mr. and Mrs. Henry Imorde, Mr. and Mrs. Joseph Schildt, Will Imorde and Miss Lulu Imorde, all of whom are prominent business people of the Kentucky metropolis. During their brief stay in southern California these southern visitors became very favorably impressed with Glendale, and it is likely that they will soon become residents of this city. Martin Doll is a wholesale produce and commission merchant, Messrs. Imorde are proprietors of a large Louisville grocery story and Mr. Schildt is a mortician.

Glendale residents who were guests of Mr. and Mrs. Doll were Mr. and Mrs. Frank Godar, Mr. and Mrs Fred H. Huesman, Mr. and Mrs. F. J. Huesman, Mr. and Mrs. A. L. Rommel, Mr. and Mrs. J. W. Lundragen, Mr. and Mrs. Andrew Koverman; Misses Helen Godar, Dorothy Godar, Miss Blanche Johnson; Messrs. Herman Psenner, Robert Godar, Randolph Doll, Wm. M. Doll and H. M. Doll, Jr.

Mr. and Mrs. E. E. East Dancing Party Hosts

The home of Mr. and Mrs. E. E. East at 121 West Lexington Drive was the scene of a very pretty garden party and dance Friday night Mrs. East, Mrs. Charles Meadows, Mrs. Robert Pease, Mrs. Harry Powers and Mrs. Forrest Rodgers acting as hostesses for the Wednesday Afternoon Bridge club. Rose-shaded lights, great clusters of hydrangeas and a bright confusion of rose and blue blossoms made a charming setting for the dancing and a delicious three-course supper was served at midnight on the lawn.

Those who enjoyed the affair included Mr. and Mrs. Don Packer, Mr and Mrs. William Walker, Mr. and Mrs. Harry Parker, Mr. and Mrs Charles Meadows, Mr. and Mrs. Harry Powers, Mr. and Mrs. Forrest Rodgers, Mr. and Mrs. East of Glendale and Mr. Welldon and Mr. and Mrs. Robert Pease, Mr. and Mrs Fred Wilson, Miss Rosenbaum, James Pease and Jesse Few of Los Angeles.

Alfred Holgate, Age 71, Taken by Death

Alfred Holgate passed away at the home of his son, Alfred E. Holgate, 703 East Palmer avenue, July 15, aged 71. He was born in England, July 8, 1950. He leaves his widow, Eliza Holgate, and three sons. The funeral services will be held at the Little Church of the Flowers Monday morning at 11 o'clock, Rev. E. E. Ford, of the First Baptist church, officiating. Interment will be made in Forest Lawn. The Jewel City Undertaking company is in charge.

Mr. and Mrs. McMillan Are Home From Trip

Mr. and Mrs. J. Mac MacMillan and little daughter, Eleanor, of 350 West Broadway have returned from their motor trip to Santa Cruz. They were accompanied by Mrs. Mac MacMillan's parents, Mr. and Mrs. J. D. Porter of 108 North Central avenue.

LEAVE FOR ST. LOUIS

Mrs. A. L. Frazee of 211 Milford street this week bid farewell to her mother-in-law and sister, Mrs. Lucy A. Frazee and Miss Nell Frazee, who left for St. Louis Monday. Thursday Miss Hope Lytle, Mrs. Frazee's sister, who has also been visiting her, left for her home in San Francisco.

LEGION DELEGATES FOR STATE MEET ARE SELECTED

Glendale Post Names Those Who Will Represent It at Yosemite Valley

"Al"—that's the new nickname for members of the American Legion. "Atta boy Al" and "Howdy Al" will be as well known a slogan at conventions in years to come as "Hello Bill" is with Elks today. At least that is the word from New York where the Legionnaires have adopted the phrases in their meetings with former buddies.

E. O. Kiefer, commander of Glendale Post, No. 127; Attorney James F. McBryde, W. B. Kelley, William A. Loving and Dr. G. Kaemmerling were named last night as delegates to the state convention of the American Legion which will be held in Yosemite National park the latter part of this month. Earl S. Patterson, Mitchell Frug and Comrade Knowle were named as alternates.

The delegates were urged to work for the adoption of a measure which will provide greater liaison between posts of the state and nation as well, the suggestion being that funds be made available for the transmission of important resolutions by telegraph to headquarters from where it will be broadcasted as the officials see fit.

Publicity for Resolution

In the latter connection, A. H. Jones declared that a bonus resolution such as adopted by local legionnaires last week should be given the greatest publicity and other posts urged to adopt similar resolations. A copy of Attorney Owen C. Emery's draft is being forwarded to the American Legion Weekly for early publication.

A resolution was adopted last night which indorses the appointment of Charles R. Hoppin of Woodland as chairman of the Veterans' Welfare Board. A copy is being forwarded Governor William D. Stephens with the hope of putting a legion man into the job. Mr. Hoppin is commander of the Yolo post and has met with the indorsement of many organizations in the central and northern sections of the state.

To Talk About Bonus

S. C. Graham, formerly commissioner of public works in Los Angeles is to be invited by Mr. Jones to be the guest of the legionnaires on Friday night, July 29, and prior to the boxing bouts he will speak on the subject of "A Bonus for Former Service Men." It is stated that he holds very decided views advocating the payment of men who sacrificed their all on the same basis as those who worked at home in the munition factories and construction of camps.

The Interpost Council of Los Angeles county has extended an invitation to local officials to attend an informal dinner for Buron R. Fitts, state commander, which will be held the evening of July 29 at the Vista del Arroyo hotel in Pasadena. The Hollywood post will furnish the entertainment which is enough said.

Jack McKinney, a member of Nogales (Ariz.) post, No. 29, was the guest of John Stadnick, 339 La Clede avenue, last night, and he stated his intention of remaining here. Other matters of routine business were summarily dwelt with and the meeting adjourned earlier than usual last night.

Christian Circle to Meet Tuesday Night

The Christian Circle club announces that it has a special treat in store for the members next Tuesday night, when Mrs. Neth will be present at the meeting to be held in the Baptist church at 6 p. m. Efforts are being made to have all present and also to have each member bring along a girl friend.

Last week the Therapaya class of the First Presbyterian church came in a body, bringing their banner, song and yells. Other organized classes will be invited to do the same.

Dr. and Mrs. Hogue to Return Home Sunday

Dr. and Mrs. R. V. Hogue and family who are enjoying a few weeks' vacation at Big Bear lake expect to return to their home at 329 North Jackson street Sunday evening. Mrs. Hogue writes that she never felt better in her life and that they are having a wonderful time. Dr. Hogue is completing plans for a log cabin he intends to have built sometime in August so that in future they will have their own summer cabin there.

NOTED ADVENTISTS WILL BE PRESENT AT BIG CAMP

Prominent Ministers to Be In Attendance During Coming Alhambra Gathering

After making a careful survey of several possible locations in Southern California the conference committees of the Southern and Southeastern California conferences of Seventh-day Adventists have selected Alhambra as the place for holding their annual camp meeting and convention this year. The first of these gatherings begins July 21 and continues till July 31. The camp ground is located at the northeastern corner of Second street and Alhambra Road. At least 2000 people will live in the tented city during the ten days encampment of the Southern California conference meeting. Three hundred family tents have been erected to care for the delegation and several large canvas pavilions are being made ready for the various meetings.

Delegations are expected from Paso Robles, San Luis Obispo, Santa Barbara, Arroyo Grande, Oxnard, Santa Paula, Lancaster, San Fernando, Burbank, Glendale, Pasadena, Sawtelle, Santa Monica, Long Beach, San Pedro, Pomona, Los Angeles and other places included in the conference territory.

Leading Clergymen Attend

Coming to the camp meeting, besides 2500 lay members, will be leading clergymen from different sections of the United States, and practically the entire staff of ministers and other workers employed by the Southern California conference.

Including departmental and other meetings, not less than twelve services will be conducted each day. Of particular interest to the public will be the lectures at 11 a. m., 3:30 p. m., and 7:30 p. m. daily. The camp meeting will be in the nature of a Chautauqua, and will be of great educational value to all. However, no admission charge of any kind will be made.

Elder W. M. Adams, president of the Southern California conference, will be in charge of the large encampment.

Some Prominent Speakers

Among the prominent ministers coming, and who will take a leading part in the sessions of the conference, are Evangelist Fred C. Gilbert, a converted Hebrew orator; R. D. Quinn, field secretary of the general conference, Washington, D. C., J. W. Christian, president of the Pacific Union conference; Prof. C. L. Benson, young people's evangelist, College View, Neb.; J. J. Nethery, president of the Southeastern California conference; H. S. Shaw, president of the Central California conference; F. E. Painter, field missionary secretary of the Pacific Union conference; J. Adams Stevens, executive secretary of the home missionary department of the Pacific Union conference, and others.

One of the prominent features of the encampment this year will be

(Continued on Page 3.)

Mervin Carmichael Is Visitor In Glendale

Mr. and Mrs. J. R. Rathbun of 423 West Colorado boulevard have been entertaining as their house guest this week, Mervin Carmicheal of Marion, Indiana, who came to California with the Indiana delegation of Elks. During his stay Mr. and Mrs. Rathbun have enjoyed many pleasant outings, as Mr. Rathbun is taking a two weeks' vacation from his business duties. Last Sunday they motored to Riverside for the day.

Mr. Rathbun is a member of the Riverside lodge, but after witnessing the showing made by the Glendale Elks in the recent parades has decided to apply for a demit to No. 1289.

Glendale Folk Leave for Long Beach Visit

A group of Glendale people who leave today for a week-end trip to Long Beach includes Mr. and Mrs. J. H. Springer and family of 534 Oak street, F. E. Berry of Spokane, Wash., the Springers' guest, Miss Geralding Woolard of 145 South Pacific, John Berry and Eddie Farriano.

Miss Eleanor Gregg Is Dangerously Ill

Miss Eleanor Gregg, daughter of Mr. and Mrs. D. L. Gregg of 240 North Central evenue, is ill with pneumonia and has two nurses and a specialist in attendance. Her condition is reported serious.

Today's World News In Brief

(By United Press to Glendale Evening News)

CASE AGAINST CAPTAIN ROSENBLUTH IS DISMISSED

WASHINGTON, July 16.—The government today dismissed the case against Captain Robert Rosenbluth in connection with the death of Major Alexander Cronkhite at Camp Lewis, Washington.

ORANGEMEN AND SINN FEINERS CONTINUE WARFARE

BELFAST, July 16.—Warfare between Orangemen and Sinn Feiners continued in Ulster today despite the truce. One man was killed here and five seriously wounded before dawn in street fighting. Sharpshooters fired from windows and roofs. Deaths since Sunday total twenty and there are scores of wounded in hospitals. A number of groceries and saloons were in flames this morning.

NEW YORK STOCK MARKET IS CLASSED AS 'SLUGGISH'

NEW YORK, July 16.—The market was sluggish today. Public participation was lacking and the few price changes that were marked up were made by professional floor traders. Atlantic Gulf common was heavy, getting below 22, compared with the recent high of better than 28. The preferred sold at 16¼, off 1¾. Mexican Petroleum was remarkably firm, getting close to 104. Baldwin starting the day with an early low at 72, rallied a point.

MRS. CATHERINE EVA KABER FOUND GUILTY OF MURDER

CLEVELAND, O., July 16.—Mrs. Catherine Eva Kaber today was found guilty of first degree murder in connection with the killing of her husband, Daniel F. Kaber, by a jury in common pleas court here. The jury recommended mercy. The penalty is life imprisonment. Mrs. Kaber was immediately sentenced to Marysville reformatory for women for life. Mrs. Kaber took the sentence calmly, never saying a word. She was carried out of the courtroom in the arms of a deputy sheriff.

SAYS JAPAN'S FUTURE DEPENDS UPON CONFERENCE

HONOLULU, July 16.—"Japan's future depends upon the Washington disarmament conference," former Prime Minister Okuma is quoted as saying in an interview printed by the newspaper Jiji. Failing in its object to curb Japan at the Paris peace conference the Japanese statesman is quoted as saying, "America is attempting to check this country at the Washington conference. If Japan, standing on justice, finds the conference decidedly against her she may withdraw from it," the marquis concluded.

SEEK TO EXCLUDE ALLEGED CONFESSIONS OF PLAYERS

CHICAGO, July 16.—Motion to exclude from the testimony of the Black Sox trial the alleged confessions of Eddie Cicotte, Joe Jackson and Claude Williams will be made Monday by the defense. All three have repudiated statements credited to them. Defense attorneys Sunday will interview "Bill" Burns, former White Sox, and Joe Gedeon, star witness for the prosecution. Burns is said to have turned states evidence in the case, in which the former White Sox stars and alleged gamblers are charged with conspiracy to throw the 1919 world series.

FORMER PREMIER OF FRANCE HAS PRAISE FOR HARDING

PARIS, July 16.—Tribute was paid to President Harding as a leader in the movement for world disarmament as the league of nations disarmament commission convened here today. Rene Viviani, former premier of France, presided. In his opening speech he praised Harding's initiative and declared the commission would be able to prepare valuable data for the proposed Washington conference. Contrary to expectations, Viviani, however, did not suggest an immediate adjournment on account of the Washington conference. Twenty delegates from fourteen nations met in the Luxembourg palace for the first session. They do not officially represent their governments and will discuss the disarmament problem along broad general lines.

ULSTER CABINET MUST GRANT CONCESSIONS, DECISION

LONDON, July 16.—Members of the Ulster cabinet were en route here to be informed by Premier Lloyd George that they must make concessions to the Sinn Feiners so that peace may be permanently restored in Ireland. Sir James Craig, head of the Ulster government, summoned his cabinet to London after Lloyd George had informed him yesterday that both sides must make concessions and had outlined to him the concessions Ulster was expected to agree to. Craig, it is understood, would not give a definite answer without first consulting his cabinet ministers. As soon as Lloyd George has obtained the agreement of both Eamon De Valera and Craig to the proposed mutual concessions, so that a basis of permanent settlement has been established, regular peace conferences among representatives of the British government, the Sinn Fein and the Ulster government will be started, probably early next week.

JAPAN OPPOSES DISCUSSION OF FAR EASTERN MATTERS

WASHINGTON, July 16.—Japan opposes the discussion of specific far eastern questions in the forthcoming Washington disarmament conference it developed today. She agrees to a discussion of far eastern questions from the standpoint of broad general principles, it was made clear to the United Press. The attitude of Japan was reflected in her reply to the American invitation to the conference, which asked in effect whether the far eastern questions were to be taken up specifically or in a general way. This development, together with an exclusive statement by Premier Hara to the United Press, offered the key to the heretofore unexplained action of Japan in welcoming disarmament discussion in the coming conference, but withholding full acceptance of discussion of specific affairs. It was noted that the statement of the Japanese premier, which was furnished to Secretary of State Hughes, did not mention the Pacific phase of the coming conference. By praising the forthcoming gathering as simply a "disarmament conference," Hara was elaborating on Japan's official reply to the United States, "wholeheartedly accepting the invitation to a disarmament conference," it was pointed out, and making a reservation regarding the proposed discussion of Pacific questions.

PLACE PRIZE FLOAT UPON EXHIBITION AT ELKS' CLUB

L. C. Chobe, Designer, Given Many Congratulations on His Unique Creation

With Glendale's prize winning float, proudly carrying its emblem of victory, parked in front of the local Elks' building, last night was a night of jubilee and congratulatory frolic at B. P. O. E. headquarters.

Although many of the members had been up all the preceding night working on the float, this fact in no way abated their enthusiasm. Victory had dispelled all thoughts of weariness.

L. C. Chobe, designer of the float, was the happiest man in Glendale, withal taking his honors modestly.

Congratulations Extended

Although he had been up the entire night before, had safely escorted his creation to its place in the line of march, carefully watching for any stray oversight that might mar its perfectness, and following its triumphal march through the city streets, and at the conclusion of the procession carefully guarded it on its return trip to its place of birth, Chobe showed but few marks of his long vigil.

When word passed around the city yesterday afternoon that the prize-winner had returned and was in front of the Elks' building hundreds of local people hurried down to view the floral masterpiece and offer congratulations to those responsible for its creation.

Local Elks Entertain

Open house was keut until the small hours of the morning, many out of town Elks dropping in to congratulate the local boys on the great showing made.

Spencer Robinson entertained with some of his famous songs and Brahm van den Berg, the nationally known pianist and a former resident of Glendale, rendered several musical numbers that were greatly enjoyed by the happy crowd. An impromptu dance was indulged in by the Elks and their fair partners.

Building Record for This Year Beats 1920

Although yesterday was a comparatively quiet day at the building inspector's office the total mark for this month was hoisted to $131,550. The grand total for the year is now $2,087,949, which is more than two-thirds of the amount of building for the entire year of 1920.

The honor of taking out the largest permit for the day went to R. C. LeBar, who will erect a five-room modern California bungalow on his lot at 332 West Pioneer Drive. The house, which will be built with all of the most modern conveniences, will cost $4,000.

Following is a list of permits issued in their order of valuation:

R. C. LeBar, five-room residence, 332 West Pioneer	$4,000
R. P. Hankey, four rooms and garage, 609 West Milford	2,500
Wm. H. Hooper, office and display room, 322 East Broadway	2,000
J. E. Osgood, garage, 429 North Jackson	150

Boy Goes East to Attend Mooseheart

George F. Hallahan, aged 9, son of Mrs. Arline Hallahan and grandson of Mr. and Mrs. F. J. Willett, 310 West Lexington Drive, has gone to Mooseheart, Ill., where he will enter the school conducted by the Moose lodge. His uncle, George W. Scott of Davenport, Ia., is president of the Board of Trustees of the institution.

After George completes the courses at Mooseheart he will be accorded an education in any profession which he may desire and it is probable that he will be away from Glendale for the next 12 years. By the time he is 21 both the lad and the town will have grown some.

Mrs. F. C. Kimball on Visit With Relatives

Mrs. F. C. Kimball and son, Ralph, of 1137 East Elk avenue are visiting relatives in Los Angeles and San Bernardino. On their return Mr. Kimball, who is employed with the Bentley - Schoeneman Lumber company, expects to join them in a trip to San Diego and other points. Mrs. Kimball has come from Ogden, Utah, recently, where she was engaged in educating mutes.

NON-RESIDENT'S SACRIFICE
Beautiful bungalow on corner lot 100x110, almost new and well built. Owner of this lovely home will sell cheaply and on very easy terms. The tenant will be glad to furnish all information. See.
470 BURCHETT
(CORNER PACIFIC)

FOR SALE—Brand new 5 large rooms, sleeping porch 10x17, ideal location, unique built-in features, a very pretty home, $5900. 321 West Lomita Ave., Glendale 2192-W.

HOW WILL IT "STAND UP"
Wear and tear, weather conditions, etc.? That's the question which naturally enters when considering the purchase of one of the more recently built houses. The 5-room modern bungalow on West Park we watched when being built by eastern carpenters for themselves, and it is unquestionably the best which money and material could put up. Garage with wash trays, hot and cold water piped thereto. Lot 50x150, fenced, 5 fruit trees. Very attractive place, only $1000 will handle. Monthly payments to suit. Price $5500.

Locals And Personals

Myron Morris of Mesa, Ariz., is a guest at the home of Mrs. Ed Moniot, 416 Fernando Court.

Mr. and Mrs. Herbert Reed and their son Winton, 705 North Central avenue, are visiting in Cincinnati.

Miss Ida Fuez, who has been visiting with her brother, W. H. Fuez, 376 Milford, has returned to her home in Santa Ana.

Miss Marjorie Hart of 501 North Louise street spent the past week in Hollywood as the guest of Mr. and Mrs. F. R. Putnam.

M. Hall and family have moved from 717 East Windsor to the property they recently purchased at 1425 East California avenue.

Miss Murray Longley of 431 West Harvard street will be a guest of Mr. and Mrs. A. F. Wilson and family on a week-end trip to Venice.

Julius Nelson of Pasadena has moved into 205½ West Hawthorne. Mr. Nelson is a contractor who specializes on remodeling old houses.

Mr. and Mrs. William Boone of 326 Palm avenue, Sherman, were guests Friday of Mr. and Mrs. David Donwell, owners of the Little Premium Market of this city.

Gordon Clayton of the Dodge agency, in company with several Los Angeles friends, will motor to Yosemite National park and other California points of interest next week.

Miss Dorothy McPherson, who has been ill at the home of her mother, Mrs. H. A. McPherson of 336 Patterson avenue, is still confined to her bed.

Mrs. L. J. Ortiz and her two children, Inez and Pierre, who have been traveling through the east, have returned to Glendale and have settled at 615½ North Brand.

Mr. and Mrs. V. C. Spears, Mr. and Mrs. George M. Spears and son George will leave tomorrow for Big Bear lake, where they are planning to spend two weeks camping.

George Hallihan, grandson of F. J. Willett of 310 West Lexington Drive, left Wednesday for Wing, Illinois, where he will visit his Grandmother Hallihan for the next few months.

Henry Weger, local letter carrier, is today being showered with congratulations by his co-workers at the postoffice, following the doctor's announcement, "It's a girl." The new arrival came this morning at 1:45 o'clock, and both mother and daughter are doing nicely. The baby has been named Margaret Victoria Weger.

Locals And Personals

E. C. Curry, purchasing agent for a large automobile agency in Los Angeles, has purchased the home at 720 North Isabel.

Claude E. Nugabauer, an employe of the Southern California Edison company at Redondo, was in Glendale yesterday looking for a prospective home site.

F. J. Willett has sold his cigar stand at 117 East Broadway to R. J. Maloney of Los Angeles, a member of Elks' Lodge No. 99, who has been attracted to Glendale.

Mrs. B. F. Park and her daughter Lucille have leased the residence at 309 West Doran. They have just arrived at Glendale from Omaha, Neb., but are former residents of this city.

Harold C. Beeson, son of Mrs. Arthur C. Brown, 201 West Milford, has returned to his home, leaving Mrs. Beeson and his two sons, Alden and Sheldon, with his mother for a short visit.

Miss Julia Moniot of the Pacific Telephone & Telegraph company's office force starts her vacation this afternoon. On Monday morning, C. W. Dudley, of the same force, returns to his duties.

Manning L. Alvas, arithmetic teacher at the Intermediate school, met with an accident while driving in Los Angeles. No injuries occurred, but the front spring of Mr. Alvas' car was badly twisted.

Mr. and Mrs. Seymour G. Smith of 416 West Wilson avenue entertained Mrs. L. G. Brann of San Francisco on Thursday evening at a charmingly-arranged dinner party at the Casa Verdugo restaurant.

Harry M. Bennett, a stock and bond broker of Los Angeles, has bought the residence at 711 North Maryland, and his family moved in today. His two sons, Harry, Jr., and Jack, are interested in the Glendale schools.

Mr. and Mrs. G. G. Smith of 414½ East Harvard street enjoyed an outing last week at La Jolla, Coronado and other points in the vicinity of San Diego. They returned the fore part of the week in time to mingle with the Elks' convention crowds.

Dr. Alphonette Goff of 106 North Adams street is entertainiing at her home this week her mother, Mrs. R. Dill, and her sister, Dr. Lenore Campbell, both of Loma Linda. Dr. Campbell is an instructor at the Adventist medical college at Loma Linda.

A party of Glendale people, who have just returned from a delightful tour of the Yosemite Valley, are Mr. and Mrs. F. B. Gonzales, Louise and James Gonzales of 412 North Louise street. Mrs. H. B. McIntire of Indianapolis, Indiana, was also a member of the party.

Mrs. S. F. Manson of 437½ West Dryden street spent Friday with Mr. and Mrs. P. J. Manning and family in an outing at Long Beach. Mr. Manning, who is Mrs. Manson's brother, recently arrived in Glendale from Atlanta, Georgia, and will spend the summer here.

Mr. and Mrs. Morris Jackson drove down from Casmalia, California, Friday for a visit at the home of Mr. and Mrs. J. Humphrey Jackson, 332 North Orange street. Mrs. Jackson will remain in Glendale for a month's visit and her husband will leave Sunday for Casmalia where he is employed in the oil refineries.

Mr. and Mrs. Daniel Kelty, Jr., and their two children, Edith and Daniel 3rd, will leave tomorrow for a two weeks' visit to the San Joaquin valley. Accompanying them will be Mrs. A. P. Stone, Mrs. Kelty's mother, who has been visiting in Glendale for several weeks. The Keltys will stay at Mrs. Stone's ranch, near Denair, and return by way of the coast.

Miss Dollie Rhodes of Des Moines, Iowa, arrived in Glendale this morning for a few weeks' visit in the home of Mrs. L. J. Barlow of 431 South Columbus avenue. Miss Rhodes has been making an extensive tour of the north and northwest and plans to spend about a month in southern California before her return home. She is a teacher in the Des Moines public schools.

Mrs. E. U. Emery of 329 North Kenwood and her daughters have been spending the summer at Catalina Island. They returned to Glendale Friday to attend the wedding of Owen Emery and will leave this afternoon, accompanied by Mr. Emery and R. C. Kitterman, for the island, where they will spend another two weeks. Mr. Emery and Mr. Kitterman will return to Glendale Monday.

While driving his automobile at a moderate speed yesterday afternoon Albert P. Wolf, of Eagle Rock, reports that a large Studebaker car suddenly stopped in front of him without warning, and as a result Wolf's machine was badly smashed when he ran into the rear of the Studebaker. The accident took place at the northeast corner of Broadway and Isabel and was witnessed by a number of pedestrians. The standing machine was practically undamaged, while the other one came out with a broken steering wheel, axle and fender. The name of the owner of the Studebaker car was not given.

Could You?

Could you live on 32 cents a day? That's all $2000 brings at 6%!

Could you live on 83 cents a day? That's all $5000 brings at 6%.

If this would be too little, wouldn't it be wise to provide more for your family in case you were suddenly called away or for them and yourself if you survive to old age?

To complete this protection at once there is only one way—secure plenty of "long endowment" insurance. The comfort to be obtained from this in the heart of any good man is past belief, it is great! There is no substitute.

Speed Is Displayed In Presenting Views of Float in The News

In presenting to Glendale people the pictures of Elks lodge, No. 1289, prize-winning float as it appeared in yesterday's parade, The Glendale Evening News offered something in the way of speed that is seldom duplicated in a city of this size.

Inasmuch as it was impossible to obtain a photograph of the flower bedecked entry until it was ready to swing into line, it was necessary to have a carefully laid plan in order to publish the picture within three hours' time.

At 10 o'clock the photograph was "shot," rushed to the developing room where wet prints were made and hurried to the engraver's in less than an hour's working time. There the skillful artist, with a few strokes of the brush, eliminated the ugly background at the starting place and etchers got busy. Not quite two hours were used in this difficult process and cuts delivered to a waiting motorcar which made the trip through Los Angeles' traffic to Glendale in a little short of thirty minutes.

Riotous Whitewings Clipped In Montana

GREAT FALLS, Mont., July 16.—Following a hectic day yesterday, when, late in the evening, Mayor Armour appealed to the governor to send state, federal, or any kind of troops to quell a riot started when more than a thousand strike sympathizers stormed the city jail, street cleaners and garbabe haulers employed by the city terminated a six-weeks' strike today by returning to work.

The riot late yesterday started when eight women pickets were arrested for throwing red pepper at boulevard workers, a crowd of sympathizers immediately collected.

During the turmoil caused by the uproar in the street two of the women leaped from windows back of the judge's bench in the courtroom and sought sanctuary in the arms of the crowd.

Police managed to disperse the mob, and later city officials came to terms with the strikers.

M'BRYDE TO BE SPEAKER

Attorney James F. McBryde of this city will be one of three principal speakers making addresses this afternoon at a picnic of the Ancient Order of United Workmen. The affair will take place in Sycamore Grove and many Glendale members are in attendance.

MISS DANIELS IS GUEST

Miss Eva Daniels of West Colorado boulevard is the guest this week of Miss Reba Phillips, who is spending the summer at Ocean Park.

In the belief that prisons are too comfortable to serve as threats to those of criminal tendencies, a justice of the Brooklyn supreme court advocates the judicious use of the lash in certain cases.

See Mr. Meredith of the Iowa Taxi Co. Only 7-passenger car to hire in Glendale. $1 and $2 an hour. Glendale 1423-M.

Precede World Conference

This is but one of about 125 such meetings to be held in the United States and Canada this year. The meetings this year are considered most important in view of the fact that they precede the world conference to be held in San Francisco's civic auditorium early next year.

Moved by one idea, inspired by one purpose, guided by one tremendous ambition, Seventh-day Adventists are giving themselves and their all to the accomplishment of one purpose—the proclamation to every nation, kindred, tongue and people, that Jesus Christ is about to return to this earth. They are convinced that the promise of Christ, "I will come again," is about to be fulfilled. World conditions are to them ominous signs of the end of this age.

United Press Briefs

JAPAN IS SEEKING LIGHT

NEW YORK, July 16.—The Japanese government has asked the United States to define the character and scope of the Pacific and far eastern problems which it is proposed to discuss at the Washington disarmament conference before consenting to participate in that part of the negotiations, it was officially announced today at the office of the Japanese consul general here.

MURDER, ARSON IN MISSOURI

RUSHVILLE, Mo., July 16.—George Myers, farmer, was killed here today by an unidentified man, who, after forcing Mrs. Myers to leave the scene, shot her husband and then set fire to the Myers' home.

WOMAN WILL NOT BE HELD

NORTH PORT, N. Y., July 16.—Mrs. Helen Hemming, former Galveston woman, will not be held accountable for the murder yesterday of her broker husband, Henry Glover Hemming, according to Assistant District Attorney Patridge, in charge of the investigation. He added he was contemplating no action against the widow.

Mrs. Hemming, it was disclosed in the investigation, tried to persuade her husband not to accompany her home from New York through fear that trouble would result with Frank Eberhardt, Austrian guard of the estate, who later killed him and then committed suicide.

HUNT FOR WHISKEY CARGO

ATLANTIC CITY, N. J., July 16.—A game of hide and seek between prohibition agents and a schooner carrying 1000 cases of whiskey was in progress today off Atlantic City. The prohibition agents were tipped off that the schooner was coming up from Nassau, Bahmas, with its illicit cargo. Owners of the whiskey stand to make a profit of $60,000 if they succeed in landing it.

GIVES WIFE TO ANOTHER

GROVEVILLE PARK, N. Y., July 16.—"When a man is no longer able to controf the love of his wife and when his wife yearns for the love of another man—he should step aside."

This is the philosophy of the Rev. Clark Durea, pastor of the Church of the Nazarene, love pacifist of Monticello, N. Y., who calmly read his Bible while his wife and Earl Van Noy, also married, prepared to elope.

FAVORS SAND POINT

WASHINGTON, July 16.—Admiral Coontz, chief of naval operations, today informed the house naval affairs committee that from a strategic standpoint he preferred Sand Point, Wash., as a location for a naval aviation base.

STOCKHOLDERS DISSATISFIED

SANTA ANA, July 16.—Stockholders of the Huntington Central Oil company at Huntington Beach, dissatisfied with the management of the company, today were making preparations for a big gathering of stockholders to be held in this city next Tuesday to take steps to secure control of the organization.

CONFERENCE ON COTTON

WASHINGTON, July 16.—Governor Harding of the federal reserve board oday summoned governors of the reserve banks of the south to a conference to discuss financing the growing cotton crop.

CHICK EVANS LEADING

EVANSTON, Ill., July 16.—Leaping into his true form, Chick Evans was leading Rudy Knepper of Sioux City one up at the end of twelve holes in the play for the western amateur golf title at Westmoreland Country club today.

Soap and Water Sweetness

Soap and water sweetness is a religion in our laundry.

Floors, washers, tables, racks—everything with which your clothes or the people who handle them come into contact—are scrubbed with oceans of fresh, boiling water and bubbling soap suds every day.

There's the secret of the radiant cleanness which you will find in our laundry—that's one of the reasons for the fresh, fragrant purity of the clothes we send home to you.

Sunday Services at the Churches

FIRST METHODIST

Corner Wilson Ave. and Kenwood St. Rev. Clyde Monroe Crist, D. D., pastor. Carl C. Seitter, A. B., religious educational director. Sunday school (graded) 9:30. Prof. A. W. Tower, superintendent. The school has a magnificent summer attendance, but still there is room. Preaching at 11 o'clock and 7:45 by the pastor. Morning sermon text, "Sir, We Would See Jesus." The evening theme will be "Making Good." There will be music by the vested choir. Organ recital at 7:30. At the 7:45 service there will be an instrumental trio (brass instruments) by Cecil Leslie and Roland Percy accompanied by Miss Lois Percy. The Sunday evening services are made particularly attractive. The Daily Vacation Bible Class is in full swing. The third week's session begins on Monday morning at 9 o'clock. Those whose ages range from 9 to 12 years may be served at this church. This school answers the questions of vacation time, as to where to go and what to do. Mr. Carl Seitter, the Religious Educational Director will gladly give further information.

PRESBYTERIAN

Rev. W. E. Edmonds, pastor. Rev. Louis Tinning, assistant pastor. At the morning service the pastor will speak on "The Red Trail, a Petpetual Ordinance." The Bible school under H. L. Findlay meets at 9:30 a. m. with classes for all ages. The Men's Bible class meets in the city hall at 9:30 a. m. The Daily Vacation Bible school is meeting every morning in this church. The enrollment is now well over the 200 mark and still increasing. All children are welcome. At 6 p. m. the "Twilight Communion Service" will be held. This is one of the most attractive services of all the year and all are invited to attend. The musical program for the day is as follows: Morning: Prelude, "Romanza" (Parker) Quartet, "Crown Him With Many Crowns" (McPhail); offertory, "Reverie" (Reinecke); tenor solo, "Calvary" (Rodney) Dr. B. O. Lucas; postlude, "Elegie," (Diggle). Evening—Prelude, "Communion in G" (Batiste); harp solo, "Serenade" (Schubert) Miss Marjorie Jean Bailey; offertory, "Spring Song" (Gade); quartet, "As We, Thy Table, Lord, Approach" (Ramler); gospel solo (Selected) Mrs. Fannie Marple Retts. Postlude, "Hosanna!" (Wachs.)

CHRISTIAN AND MISSIONARY ALLIANCE

Meetings every Tuesday and Thursday, 7:30 p. m. Gospel Tabernacle, 310 East Chestnut St., corner Louise. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer and Coming King.

CHRISTIAN SCIENCE

First Church of Christ, Scientist, corner Maryland and California Avenues. Services Sunday at 11 a. m. and 8 p. m. The lesson sermon is from the Christian Science Quarterly Bible Lessons. Subject, Sunday, July 17, "Life." Sunday school at 9:30 a. m. Wednesday evening testimony meeting at 8. Reading room, 135 South Brand Blvd., open daily except Sunday and holidays from 12 to 5 p. m. Also every Tuesday, Thursday and Saturday evening from 7 until 9 o'clock.

HOLY FAMILY CATHOLIC

East Elk Ave. near Adams St. Mass at 7:30 a. m. Sunday school at 8:30 a. m. Mass at 9:30. Everybody welcome. James S. O'Neill, parish priest.

ST. MARK'S EPISCOPAL

The Rev. Dr. Cornell, officiating. "Eighth Sunday After Trinity." Sunday school, 9:45 a. m. Morning prayer and sermon, 11 a. m. A cordial invitation is extended to all.

FIRST CONGREGATIONAL

Wilson and Central Aves. Rev. C. M. Calderwood, pastor. Mrs. C. A. Parker, musical director. 9:45, church school, O. E. Von Oven, superintendent. 11, morning worship. Sermon by the pastor. 6:30, Christian Endeavor. The evening service will be discontinued until September.

CASA VERDUGO METHODIST

Edward O. Thayer, D. D., pastor. North Central Ave. and Park Place. 9:45, Bible school, George W. Tyrrell, superintendent. 11, topic, "Three Rules for Noble Living." 7, Epworth League. 7:45, topic, "Knowing as We Are Known."

CENTRAL AVE. METHODIST

Rev. Brink will preach both morning and evening. Bible school, 9:30 a. m. James L. Brown, superintendent. Junior League, 11. Mrs. M. A. Hewitt, superintendent. Morning worship, 11. Theme continued, "What Happens When the People Pray." Choir music. Epworth League, 6:30 p. m. A meeting for everyone. Evening service, 7:30. Theme, "The Christian Sabbath." Music by Dr. Marple.

NEW THOUGHT CENTER

The Miracle Man, who has caused so much comment and discussion in Los Angeles, will be Dr. Frank L. Riley's subject for Sunday, July 17, 11 a. m. at the New Thought Center, Masonic Temple. Dr. Riley has been our M. D. and Metaphysician for many years and will give us his idea of how the Miracle Man heals. There will also be special music. Sunday school at 9:45 a. m. Wednesday night meetings are held at Mr. Carmack's home at corner of Central Ave. and Windsor Road, Mrs. Alice Roe Gilchrist, leader, studying Fillmore's Christian Healing. Being a lecturer and healer, Mrs. Gilchrist is a very capable leader. Everybody welcome.

FIRST BAPTIST

Ernest E. Ford, pastor. Sunday school at 9:30. Roy L. Kent, superintendent. Classes for all. Public worship at 11. Sermon theme, "The Shadow of a Great Rock." The evening service will be in charge of the Evangelistic team from the "Midnight Mission" of Los Angeles. Tom Liddecoat and J. C. Hall will be the speakers. Twelve or fifteen talented musicians will sing and play. Everybody invited.

FIRST LUTHERAN

Corner East Harvard St. and Maryland Ave. "Heredity and the Grace of God" will be the subject for the sermon by the pastor at 11 o'clock. Special music. Bible school, 10 a. m. Miss Helen B. Esterly, director of music. Dr. H. C. Funk, pastor. Residence, 111 East Harvard St. Phone Glendale 1322-J. You are most cordially invited to attend our services.

WEST GLENDALE METHODIST

Harvard St. and Pacific Ave. W. W. Cookman, pastor. Sunday school at 9:45 a. m. John Camphouse, superintendent. Morning service at 11 o'clock. Evening service at 7:45. The pastor will give the address both morning and evening. Everybody welcome.

CENTRAL CHRISTIAN

Corner Louise and Colorado Sts. Clifford A. Cole, minister. Rev. A. C. Smither, for 20 years pastor of the First Christian church of Los Angeles, will preach both morning and evening. The choir under the direction of Mrs. Calvin Whiting will furnish special music. Bible school at 9:30 a. m. Young Peoples' meeting at 6:30 p. m. Preaching at 10:30 a. m. and 7:45 p. m.

EXQUISITE EPISTLE EULOGIZING ELKS TO 'DEAR KATIE'

Everybody Enthralled, All Elks Exhilirated, Even Expense Enjoyed

GLENDALE, July 16, 1921.

Dear Katie: For fear you might think as how the truth and me ain't on speakin terms anymore, I am sendin to you today by the U. S. mails a copy of yesterday's Glendale Evening News of which I am a strivin reporter of the same. Now right here I might as well say as how there ain't no use in your registerin 'leven different kinds of expressions like amaze, awe, envy and surprise, when you see on the paper as how Glendale's float won first prize in the floral parade.

It was a cinch foregone concluded with the odds at 1 to 89 as how Glendale would win with a knockout in the first round.

Katie—she did.

And in the last few days I learned what B. P. O. E. means, anyway, which the same is—Beautiful Parades of Elkdom.

But today I got to write a artikle on the Elks' doins of the week past and I guess the only way I can explain it all to you is to tear out a couple of pages, kinda off hand, outa my dictionary and pick out some pretty words.

Try It On Your Horn

If you can't read it maybe you can play it in B-flat minus.

"Eureka,"

July 10th

Elkdom's exultant endeavorers elucidated enormous engagements, employing elaborate efforts, ere exhibiting energetic exertions.

July 11th

Each earthly elysium encountered, enlisted eulogies, enkindling esteem.

July 12th

Everywhere, elegant entertainments, easily enrapturing, expressed encouraging explorations extended effectively.

July 13th

Even extra eloquent enthusiasts, early entranced, emphasized excessive emotions, eventually exciting ecstacy.

July 14th

Every elated Elk entirely endorsed elegant, exhilirating excursions enjoyed.

Emblazoned electrical effects, employed endless evening effusions.

July 15

Exquisite emblems estatically examined, enravished engravers. Effulgent efflorescence enamored emphatically.

July 16th

Experience, explaining expeditiously existing expense. Everybody extremely enthralled, earnestly expressed eternal enthusiasm.

And whatever all that means, Katie—that is the way it was.

From yours, that knows not whether or not.

E. C. HALE.

PICKING PROFESSIONS

The president of an Indiana college in a talk to teachers told them that many teachers did not wish to be recognized as teachers, and in an effort to illustrate his remark told the following experience he had:

"I was traveling west last summer," he said, "and met on the train an attractive young woman. In a casual way I asked her where she taught school. She hastily replied:

"'Why, how do you know that I teach school'?"

"Presently I said: 'What do you teach?' I had simply guessed she was a teacher and later found out that she was a teacher of romance languages in the east. In an effort to get even with me, I presume, she said:

"'And what do you suppose I took you for?'

"'Well,' I said, 'I really don't know. What was it?'

"'An undertaker,' she retorted.

Glendale's Growth Is Surpassing Other Cities of Southern California Just As Glendale's Prize Winning Floats Surpass Other Entries

HUNT FOR FLOWERS FOR FLOAT LEFT TO J. T. ALLEN

Glendale Florist Deserving of Great Credit on His Successful Search

One of the deciding factors in securing for the Glendale float the much-coveted first prize in the Elks' floral parade of yesterday was the superior quality of the flowers. It will be remembered that the flowers used were real flowers, while many other floats were decorated with grass flowers and greens.

To J. T. Allen, of The Glendale Florists, belongs the credit for securing the 40,000 blossoms used in the decorations. The difficulty of Allen's undertaking, when some three weeks ago L. W. Chobe, the designer, presented him with a list of the flowers required, many of them out of season, can only be appreciated by those familiar with the difficulty of securing perfect floral specimens at this time of the year. For several weeks the entire county has been scoured for the different varieties, while the huckleberry greens and brakes were secured from the Santa Cruz mountains, 400 miles north.

More than 25,000 red and white carnations were used, and owing to the fact that these flowers do not thrive during the hot summer months, except in certain favorable locations, it was necessary to go to the different beach cities in order to secure an adequate supply for the huge flag.

But the most difficult task of all was the obtaining of the 5,000 purple asters required. These flowers are generally used only for funeral purposes. Again, they are the only flower on the market that is a real purple, the official Elk color. While there were many blue and turquoise varieties of this flower, the purple shade was exceedingly scarce, which coupled with the unusual demand, made their secural an extremely difficult task. For several weeks Allen has flooded the market with orders for this flower, with the result that other decorators were practically unable to secure the necessary amount for their floats.

Allen is being congratulated by the Los Angeles florists on his foresight and ability, many of whom claim that Glendale should not only have won the first prize in its division, but was also entitled to grand prize.

Congratulations!

—We congratulate the members of B. P. O. E. Lodge and the citizens of Glendale on winning the first prize on their Float entered in the Floral Parade at the Elks' Convention Friday.

—The same civic pride and progressiveness that was the incentive to the planning and building of this prize-winning float—as well as the floats that have won first prize in the Pasadena Tournament of Roses the past two years—is causing Glendale to lead all cities of the country in percentage of growth.

—It is with pride that we can say that we are co-operating in every possible way to further Glendale's progress.

AUTOMOBILE SECTION

Glendale Evening News, July 16, 1921

AUTOMOBILE HELPS TO KEEP HEALTH IN FAMILY

No one thing has done more to add to the healthfulness and joy of the American family than the automobile of today. It enables the head of the family who spends his days in the stress and strife of the "Roaring City" to relax his tired and jaded nerves at the end of the day's work in the peace and quiet of a suburban home, that would not otherwise be within available distance of his working life. It enables him to raise his family in a vine-clad bungalow instead of the crowded stuffy quarters of an apartment house.

On Sunday and holidays it enables him to take his family and rest amidst the wonderful beauties of nature in the many nearby surrounding beauty spots, and when vacation time comes it enables him to enjoy the wonders and magnificence of the far off mountains.

The time has long passed when an automobile should be considered as a luxurious plaything of the idle rich. It has become so interwoven with the everyday life of the average man as to be practically a necessity of modern times. Along with this increased demand the manufacturers have made wonderful strides, both in the increased efficiency of their machines and in the lowered cost of manufacture until now it is possible for nearly everyone to own a machine at a moderate cost guaranteed to be practically one hundred per cent fool proof.

Los Angeles county now has the greatest percentage of automobiles to its population of any county in the country—one machine to every five inhabitants.

Statistics show that Glendale is in the forefront of automobile owners. Every convenience is provided here in the service rendered by the many Glendale distributors. There is no need to go outside of Glendale for your machine. You can depend upon the quality of the Glendale service.

National Parks Seek Fees From Road Fund

Keen interest is felt here in the probable effect of the California Legislature's attempt to have fees collected from motorists entering Yosemite National park expended on roads in this park, instead of being turned into the general fund of the United States Treasury.

If congress revoked the prohibition against use of motor fees in parks collecting the money, Yosemite would have a steady income every spring as automobile travel begins, just at the time when it is possible to commence repairing the damage done by winter and when money expended in such work gets the greatest possible results. As it is, the park administration is forced to economize closely, doing only the most necessary work, and the rush of early travel damages the soft roads which cannot be worked over.

Stephen T. Mather, director of the National Park service, has strongly favored a policy of expending motor fees in the parks collecting the money.

"It is my purpose to submit to congress, he said, "such estimates as will start the parks forward on an adequate development program. This will include a provision granting the park service again the use of the park revenues. I earnestly believe that if large appropriations should be made for a few years, so that roads and trails within the parks may be improved and permanently developed, an enormous volume of travel to every park in the system could be attracted and held and within a few years the revenues can be brought to a figure approximating the cost of the administration, maintenance and protection of these reservations."

Jackie Coogan, Picture Star, Out of Hospital

Little Jackie Coogan, the diminutive motion picture star, has been removed to his parents' home in Hollywood after having been confined in the Glendale hospital and sanitarium for two weeks. The youngster is recovering from two operations performed here on his nose and throat.

Jackie will not be able to be up and working in the films for several more weeks, according to his physician, Dr. H. G. Westphal.

Father O'Neill Still Confined to Hospital

Rev. James S. O'Neill, who has been ill at St. Vincent's hospital in Los Angeles, has developed a case of inflammatory rheumatism which may cause him to be disabled for some time. Ramona Institute Y. L. I. and the Altar Society have both sent delegates to cheer him, bearing flowers and other tokens of regard. His whole parish is united in wishing him a speedy recovery.

Asserts Japan Will Help Harding's Plan

Copyright 1921 by The United Press

TOKIO, July 16.—"Japan will spare no effort to help towards the success of President Harding's important and epoch-making conference.

"Japan welcomes the opportunity to vindicate her position before the whole world and show once more how thoroughly she is in sympathy with the new world spirit."

These are the high lights in an exclusive statement given to the United Press by Premier Hara of Japan which follows:

"President Harding's suggestion for a disarmament conference has been received with enthusiasm in Japan for any plan looking for the promotion of worldwide peace and the welfare of the world will be welcome to the government and the people of Japan.

"We are especially glad that a unique opportunity is thus to be afforded for Japan to vindicate her position before the world and to show once more in a complete manner how thoroughly she is in sympathy with the new world spirit.

"I am confident that much good will result from the proposed gathering of nations both for international relationships in general and for the friendship between Japan and America in particular. The Japanese government will spare no effort to help towards the success of this important and epoch-making conference."

Journalist Tells of 'Japan's Fixed Policy'

NEW YORK, July 16.—Japan seeks no dominating position in the Far East and wishes only to "walk hand in hand with the leading western powers."

This is the fixed policy of Japan, Hoshio Mitsunaga, founder and president of Nippon Bempo Tsushin Sha, the foremost news agency of Japan, declared in an interview.

"We do not even dream for a moment of being an absolute power in the Far East, but, on the contrary, would like to walk hand in hand with the leading western powers," he said.

"At the same time, Japan's special position with relation to China and Siberia, not to mention Korea, should be recognized by the powers, just the same as the position the United States occupies with regard to Mexico.

"If any single nation, or other nations combined, intend to disregard such position of Japan, the responsibility of breaking the harmony among the leading nations will be theirs."

SHERIDAN AUTOIST MAKES RECORD TRIP NORTH

Drives Machine 1200 Miles Without Expense; Climbs Steep Hills Easily

Report has come to G. B. Sutherland, 230 North Brand boulevard, local distributor for the Sheridan car, in regard to a trip recently taken by W. H. Thompson of Hollywood, a Sheridan owner.

Thompson, with his '20 Sheridan touring, made the trip from here to Yosemite, over the famous Priest's Hill road, covering a distance of more than 1200 miles, on an average of 20.5 miles to the gallon of gasoline.

Furthermore, Thompson states, he did not spend a cent on the car outside of gas and oil expense while making the entire trip. No trouble of any kind was experienced, and not a single stop was made on the grade to cool the engine, although many cars of a more expensive make were forced to make frequent stops while on the steep grade and remove the radiator caps and allow the engine to cool off.

Sutherland reports brisk business, disposing of one of the '21 touring cars yesterday.

Two Decisions Effect Driver of Automobile

Motorists who also pay an income tax will be interested in the advice just issued by the legal department of the Automobile Club of Southern California as received from the treasury department.

Both of the following decisions which effect auto owners are rendered by the bureau of internal revenue and are as follows:

1. "Amounts expended in defending suits for damages alleged to have been caused by negligence in the operation of an automobile owned and operated for personal convenience do not constitute a loss which the income taxpayer is entitled to deduct from his income on his statement to the government.

2. "A loss may be deducted on an income tax return by the owner of a business truck which is demolished by a collision, provided that the truck was in use in connection with the business of the taxpayer at the time of the collision. No deduction may be claimed by the owner of a pleasure car which is wrecked in a collision."

New Shoe Repair Shop to Be Opened In City

M. G. Vaskas who has had twenty-five years' experience in the repairing and manufacturing of shoes has secured a lease on the store at 117½ West Broadway, and with the latest in shoe repair equipment will cater to the citizens of Glendale.

The work of Mr. Vaskas will be guaranteed and he also makes the welcome announcement that his prices are to be extremely low. Mr. Vaskas will be assisted in his enterprise by Mrs. Vaskas and their son, who will take care of the "shine" department, the services of which will be gratis to patrons.

'Wolves of the North' at Glendale on Sunday

Nature plays a big and dramatic role in "Wolves of the North," the Universal photodrama which comes to the Glendale Theatre on Sunday and Monday. The trackless snow, the glowing Aurora Borealis, gale-driven ice—all of these atmospheric touches have been added to the picture by Norman Dawn, a leader among artistic and creative motion picture directors.

The story features Eva Novak, who achieved notable success in "Wanted at Headquarters" and "The Torrent." Her beauty and dramatic force add materially to the appeal of "Wolves of the North." And the noteworthy feature is Dawn's use of natural scenery to suggest emotion.

Latest Pathe News, Topics of the Day and Al St. John in his latest Pathe comedy, "The Simp," also are on the bill.

Say Missing Dentist Involved In Slaying

Roseburg, Ore., July 16.—Mystery! Dr. R. M. Brumfield, dentist, is missing. His wife identified a headless charred body found under his burned automobile as that of her husband. The ring and shoes were those of the dentist.

But others identified the body as that of Dennis Russell, laborer. The latter's friends also say the charred clothing was that of Russell.

Sheriff Stamer has issued a warrant charging Brumfield with murder. Stamer says investigation revealed that Brumfield carried accident and life insurance totaling $26,000, payable to his wife.

The first steamboat plied the Hudson in 1807.

MOTOR GARDNER CAR

"IT SPEAKS FOR ITSELF"

AN ECONOMICAL CAR

—Not only is the first cost of the Gardner unusually low, considering its size, power, comfort, and stamina, but in cost of operation it will afford the motor owner a pleasant surprise.

—The Gardner's economy of Gas and Lubricating oil was proven in the Yosemite Economy Run, in which it won first place. Hundreds of owners find it just as economical on tires and repairs.

—Before buying a motor car you owe it to yourself to at least inspect the Gardner—ride in it or drive it—call us up for demonstration.

WARNING!—As we are now sold out, put in your order immediately to insure delivery in the next thirty days.

Motorists Complaining About Street Dangers

Carelessness on the part of building contractors or street improvement contractors is causing motorists a lot of worry in southern California cities.

Numerous complaints have been registered with the Automobile Club of Southern California by autoists who run into piles of sand and lumber piled in the streets in front of new buildings without any lights to indicate their location.

Officials of the Automobile Club are asking all city authorities to enforce the law which compels contractors to take protective measures where building is under way.

This also applies to locations where streets are being repaired and only half of the thoroughfare is open. In this instance motorists complain that more than half of the part which is supposed to be open is taken up with piles of cement and sand.

This not only is against the law but it often causes serious accidents and Automobile Club officials are going to do all they can to stop it.

Great Care Taken In Preparation of Drink

One is reminded of the waving fields of barley and wheat, and of the nutrition and richness of pure milk, whenever the name "Horlick's" appears.

The great care taken to obtain milk in its original purity, from healthy cows with a proper sanitary environment and under hygenic conditions, is commendable. So also, the possession of their own natural spring water, derived from a perennial spring, furnishes the proper liquid to be used in mashing the grain and growing the barley malt, which is done in their own malt houses.

In taking a glass of Horlick's Malted Milk, therefore, with its refreshing and invigorating qualities, one is assured also that he is drinking that which is pure and wholesome as well as delicious.

COURSE OF LECTURES

Lectures concerning motor trucks, motor truck operating costs, motor truck versus railroads, trailers and semi-tailers, special bodies, loading and unloading devices, scheduling, routing, and dispatching, maintenance and garaging, hiring, training and retaining drivers, are given in connection with the automobile transportation course in industrial engineering at the University of New York.

VELIE'S NEW PRICE MAKES GOOD BUY, SAYS DEALER

Big Reduction Is Made In Car; Many Advantages Are Being Offered

That the Velie autos at the new reduced price give a greater value for the money invested than do many other cars, is the opinion of many satisfied users of this popular six. Made by one of the largest and most reputable manufacturers of automobiles in the country, the owner of this car is assured of the fact that he will not soon have on his hands a car known to the trade as an "orphan."

Another great advantage possessed by cars made by a large national organization is the fact that parts and service can be secured throughout the country. No exasperating delays are necessary on those infrequent occasions when a new part is needed. Velie parts and service may be secured even in the most remote parts of the country.

Another feature of the Velie that is considered by many when purchasing a new car is that of the resale value. Velie cars, having a reputation for service and dependability extending over a period of eleven years, have a remarkable high resale value.

C. A. Wishart & Son, 246 South Brand boulevard, are the local distributors for Velies and report a brisk demand.

Illinois People Will Picnic at Long Beach

Long Beach has a new mayor and as he is a native of Illinois, he will welcome the hosts from that state when the annual picnic reunion is held in Bixby park all day Saturday, July 23. J. H. Jones of Pasadena, H. A. Hammond of Riverside and N. T. Edwards of Whittier will respond to the greeting and Henry J. Brubaker will preside and lead in the popular songs.

County headquarters will be opened early in the morning and registers supplied all day. Hot coffee will be provided and basket dinners must be brought with cup and spoon. Delegations are coming from all parts of the state and a record attendance is expected.

If you think conditions are improving your thought makes them improve.

Good-Bye Horse! Is Said at Elks' Parade as 'Pioneers' Appear

In yesterday morning's floral parade at the Elks' convention in Los Angeles there was evidence of the passing of horse-drawn vehicles.

The Los Angeles fire department featured the "farewell appearance" of the horses which are soon to be sold to make room for motor driven equipment.

"Bullets," now 28 years old and 22 years in the service, was accorded a place of honor as he rode in state on a hose cart pulled by a score of firemen.

It was one of those unforgettable scenes which called to mind the sale of "Old Dobbin" or "White Prince" or "Black Beauty."

"They will be gone but not forgotten," commented one of the Glendale spectators.

STUDEBAKER SALES MAKE BIG JUMP, THIS STATE

S. C. Packer Tells of Big Demand for Car and Shortage Is Feared

Twenty-three per cent of all automobiles sold in California during the past six months, with the exception of Fords, have been Studebakers, according to S. C. Packer, 245 South Brand boulevard, local Studebaker distributor.

That this percentage will be increased to at least twenty-five per cent during the remainder of the year is the belief of Packer, who states that orders are coming in so fast that they soon will have to fill them in the order received.

In one New York store alone he says that there are over 400 unfilled orders on hand at the present time and the ratio of orders to the number of new cars received is at the rate of three to two.

While the production of Studebakers has been greatly increased this year, yet, owing to the reduction in price, together with the great increase in value, a serious shortage is feared.

Will Rogers Featured In Story by O. Henry

When Will Rogers comes to the Palace Grand theatre today in his latest Goldwyn picture, "An Unwilling Hero," another famous story by O. Henry, America's best known short story writer, will have reached the screen. The original title of this story was "Whistling Dick's Christmas Stocking," and the leading character is a lovable tramp, whom Will Rogers can impersonate better than any actor now on the screen.

In "An Unwilling Hero," Will Rogers is a hobo who has a penchant for whistling operatic airs. His companions decide to commit a robbery, but this is beyond the whistling hobo's field of activities. Fearing him, the other tramps bind him to a tree, but he succeeds in warning the owner of a plantation of the plan to rob his home. As a reward, Whistling Dick (Will Rogers) is offered a job, but he remains true to the call of the road. How the unwilling hero manages to keep his hands from work results in some of the most humorous situations in which Will Rogers has ever found himself.

The picture was directed by Clarence Badger.

"The Greenhorn," a two-reel Mermaid comedy made in Glendale, also is on the bill. There should be a good attendance despite the warm weather. Tomorrow William DeMille's production, "What Every Woman Knows."

Financing of Cotton In Two Sections, Plan

WASHINGTON, July 16.—Financing of 500,000 bales of cotton in two southern districts is under consideration, Eugene Meyer, managing director of the war finance corporation, announced. Proposal to finance 300,000 bales in one district and 200,000 in another followed extension of the loan of $5,000,000 on Mississippi delta cotton announced last week, Meyer said.

A telegram from the federal international banking company of New Orleans received yesterday gave Meyer assurances of co-operation in the war finance corporation's efforts to help the cotton growers.

Harry C. Glazier to Return to His Study

Harry C. Glazier of East Lomita avenue, who has been attending the vocational school at the southern branch of the University of California, will return to his studies at that institution on Monday, after a week's vacation.

HARDING'S VOICE IS CARRIED AFAR BY EXIDE BATTERY

Ingenious Arrangement Is Made to Bring Tones to Listening Crowd

H. M. Parker, manager of the Auto Electric company, 113 West Harvard boulevard, agents for the Exide batteries, brought out an interesting fact today, when he described how Exide batteries were used to carry President Harding's voice to the eager throng waiting at the capitol to hear his inaugural message.

An ingenious arrangement known as the amplifier system was used. This system consisted of an exceedingly delicate apparatus, electrically sensitized, and connected at one end to a receiver standing in front of the president. The other end was connected to immense horns, eleven feet in length through which, even those on the outskirts of the crowd at a distance of 500 feet, were enabled to hear distinctly the complete inaugural address.

Storage Battery Power

The life-giving element in connection with this system which was said to be the largest ever attempted, was electricity. A constant supply of energy issuing from a dependable source was absolutely necessary. Naturally, the one source which could be depended upon implicitly, was storage battery power.

After careful consideration by prominent electrical engineers Exide batteries were decided upon. Nine Exide batteries were employed, varying in size from six-cell batteries such as one used ordinarily for automobile starting and lighting, to a sixty-six cell battery similar to those used for propelling trucks, tractors and storage battery locomotives.

That these batteries did not "fall down on the job" is evidenced by the uninterrupted service they rendered until the last of the inaugural ceremonies was over.

Life Lost, Property Damaged, In Nebraska

ALLIANCE, Neb., July 16.—One life was lost, bridges were washed away, livestock drowned and several homes destroyed by a cloudburst which struck near Andrews, Neb., according to reports received here.

Mrs. John Barrett, 90, living alone on a small farm was killed when her home was demolished. The body was recovered later in the day, lodged in a tree a half mile from her ranch home.

The town of Crawford, on the White river, is preparing for a wall of water which may come down the stream some time today. Telephone and telegraph wires are down for several miles along the railroad.

Crops are reported to have sustained considerable damage.

Export Tax on Crude Oil Is Now Removed

GALVESTON, Tex., July 16.—President Obregon has rescinded the export tax on crude oil, according to dispatches from Mexico City.

After an all night conference with a committee from the Mexican congress, Obregon issued a proclamation rescinding the tax. This was done, dispatches said, after Obregon had received semi-official assurances the United States would not impose an import tax on oil.

Obregon urged immediate resumption of work in all the oil fields to relieve unemployment and invited foreign oil company officials to a conference to work out a plan to stimulate production.

Jo Ralston Is New Lead In Adams Films

Jo Ralston, former New York Follies girl, who hails from Chattanooga, Tenn., is the new leading woman with Adams Comedies at Astra studio on Verdugo road. She is a protege of New Wayburn.

Jimmie Adams, the star, led the Santa Monica band in Thursday night's parade of the film favorites. 'Tis said he twirls a wicked drum stick, but the task proved no pleasure for him.

Just ask if feathers are heavy and Jimmie will tell you they are when it's a 15-pound headress.

Dr. W. H. Bucher Opens Offices to Practice Here

Dr. W. H. Bucher, a retired navy surgeon, who for some months toured the state of California with a motor anti-tuberculosis clinic, has opened offices in the Glendale Theatre building adjoining those of Dr. Edward Swift. The former resides at 610 West Broadway and was recently in charge of the Santa Rita clinic tuberculosis department in Los Angeles.

Prior to being retired from the navy Dr. Bucher spent a year with the Amercian forces in Siberia.

Stop Tax Exemptions, Urges Senator Smoot

By FRAZER EDWARDS
United Press Staff Correspondent

WASHINGTON, July 16.—As a means of damming the government revenue leaks, the further issuance of tax free securities in the United States will be prohibited under a constitutional amendment introduced by Senator Smoot of Utah.

The measure strikes at the real center of the revenue problems of the nation, in the opinion of many senators and leadiing economists.

There are today upward of $34,000,000,000 in tax-exempt securities in the United States. Of this amount $24,000,000,000 represents the federal debt and between $8,000,000,000 and $10,000,000,000 the state, county and local debt.

It is estimated that the government is losing through these exemptions about $600,000,000 a year and it is feared that unless the tax-free system is stopped the revenue sources will be cut to a point where it will be impossible to collect enough taxes to run the government. It is also contended that business and agriculture suffer for lack of capital because they cannot compete with non-taxable securities.

Public utilities, including the railroads, seekng new money for their credits, are forced to compete with the tax free securities.

As a result it is said that the public utilities are four years behind in betterments. The joint stock land banks cannot sell their five per cent bonds in ompetition with all the tax free bonds.

Thirty Young People Have Party In Park

Members of the Epworth league of the First Methodist church gathered at Echo Park Friday night and enjoyed a weiner roast and canoe party. There were about thirty young people present and the result was a long evening of music and fun. Every mysterious corner of the lake was thoroughly explored and to quote from one who attended they all had "a dandy good time." Miss Dorothy Peart and Miss Helen Ingledue were the committee in charge of the party, which was chaperoned by Mr. and Mrs. Edwin Murphy, Mr. and Mrs. Carl Seitter and Mrs. F. L. Perry.

FEW QUILL PENS NOW

About the only quill pens one sees in the United States now are on the stage or are ornaments on a lady's writing desk in her chamber. An actor playing the part of a statesman or a king or a general of one hundred or more years ago will write his message with a goose quill pen and instead of using blotting paper will sprinkle sand out of a salt shaker to soak up the surplus wet ink.

Studebaker

Still Leads in Sales in Southern California

During the month of June more Studebaker cars were sold and delivered in Southern California than any other make of car, with the exception of Fords. The fact that nearly all Studebaker Dealers are behind on orders and unable to make immediate deliveries makes this record more phenominal. **Studebaker is the choice in a buyer's market.**

We have two carloads of new Studebaker touring cars due to arrive the last of this week, and would advise that you place your order immediately to secure delivery of one of these.

Come in and select one of our good used cars for your summer vacation.

This is Another Studebaker Year!

Picnic Being Enjoyed by Friendly Society

The Girls' Friendly Society of St. Mark's church met today at the Pacific Electric station at 1 o'clock and drove over to Brookside park for an afternoon picnic. They carried a delicious supper with them and plan to spend the greater part of the time in the plunge and on the tennis courts. The young ladies who are enjoying the affair are Miss Louise Ayala, Miss Esther Veich, Miss Mattie Veich, Miss Jennie Bell, Miss Gertrude Champlain, Miss Dorothy Hunt, Miss Venaide Saubert, Mrs. Hopkins, Miss Lorna Galer. Mrs. E. H. Parker, their leader, accompanied them.

Some men fail to make a hit because they aim too high.

NECESSITY OF AUTO CAUSES FOLK TO SAVE, CLAIM

Joseph Murphy, Club Garage Manager, Declares Car Is Asset to Nation

The automobile has so long been considered by many as a luxury that it is diverting to hear from one who asserts that the lure of the flying road has also been a stimulus for saving.

"There are individuals today who previous to the coming of the motor car never had the will power or incentive to save $100 who today are whizzing by us in their sixes and fours," Josephy Murphy of the Club Garage declares. "If a luxury builds up the habit of saving among the American people, then the automobile may be considered not only a luxury but a real asset to our national economy."

Mr. Murphy readily admits that some negligence has been experienced in automobile financing, that a few dealers have taken advantage of the good offices of the bankers and that this fact has partly contributed to the present disinclination on the part of the bankers to come to the assistance of the motor distributors. He insists, however, that a large majority of sales arranged by reputable dealers are thoroughly reliable and that the small initial payments are rarely an indication of the dependability and financial and moral character of the buyer.

More Liberal Policy

Excessive interest charges, with the demand for blanket insurance covering every injurious possibility to the car are principal elements working against a maximum distribution of motor cars according to the Club Garage manager. A more liberal policy surrounded with every ordinary protection to the banker would stimulate the motor business and in doing so would create in an added number of individuals, the desire to economize on unnecessary expenditures in favor of those things, including a motor car and a bank account, which leads to permanancy.

Senator Borah Urged on Disarmament Board

WASHINGTON, D. C., July 16.—Influential friends of Senator Borah have set to work to have him named as one of the American commissioners to confer on disarmament, it was learned here today.

They have done so on the ground that Borah, as the senatorial pioneer on disarmament, has given the subject such deep study that he by right belongs among the American representatives.

There is also a deeper reason. It is hoped Borah would be able, if made a member of the American commission and given some freedom of action, to bring about results which could obtain the approval of the senate.

Borah holds no official position of leadership in the senate and his friends and foes alike admit his alibity to "handle" that body.

Herbert Hoover Tells of Economic Holdback

CHICAGO, July 16.—Manufacturers and dealers who resist the tendency to lower prices, and organized labor bodies who refuse to accept wage cuts are the chief factors holding up complete after-war commercial and economic recovery in the country, Herbert Hoover, secretary of commerce told the National Association of Real Estate boards here.

"These groups, which are not cooperating now will find themselves in cold water in the end," Hoover said. "And in the meantime, they delay recovery and contribute to unemployment among all."

"The administration," Hoover said, "is giving every energy to the removal of burdens on commerce and industry."

Two Orpheum Acts on Program at Glendale

Tonight Glendale will have the opportunity of seeing two Orpheum circuit vaudeville acts, Europe's celebrated violinist Leo Fillier, Frank Hartley, claimed to be America's premier juggler and the feature film "Children of Night," at the regular prices at the Glendale Theatre. Manager Howe announced today that all attendance records for his theatre were broken last Saturday night and asks all of his patrons to "come early and avoid disappointment."

The bill tonight includes Foster Ball & Co., Three Romanos Sisters, Leo Fillier and Hartley—every act having played or playing at the present time the Keith or Orpheum vaudeville circuits.

GLENDALE COMPANY MAKES WINNING AT YOSEMITE

Local Members of National Guard Take Third Place In Competition

By SALVADOR FELIX
Member of Glendale's Company At National Guard Camp, Yosemite Valley

In inspection drill of all companies in encampment, Glendale won third place out of sixteen companies, Co. B of Los Angeles taking first place, while 4th Sep. Co., also of Los Angeles took second.

Glendale made a big hit by making the highest mark in the kitchen inspection, the awards being as follows:

Co. B won with 527 points.
4th Sep. Co. second, with 520 points.
5th Sep. Co., third, with 505 points.
Co. 1, Burbank, of our battalion 11th with 450 points.
Co. K. Hollywood, also of our battalion 13th, with 440 points.

Drills Take Place

Today we had drills according to schedule, while the day before we were mostly detailed on duty to clean camp.

Last night the Y. M. C. A. gave the first of the entertainments they will give every night until the last day of encampment. The entertainments consist of songs, wrestling, boxing and motion pictures.

Two more companies arrived today; also a division of signal corps consisting of fifty-six men and three officers.

All our men are in good condition, although the change of climate is hard on account of the altitude.

How's Your Memory? Try These Tests as to Average Ability

A test for motorists which rivals the "intelligence" test, recently given by Edison, has been officially prepared by the Automobile Club of Southern California through its touring bureau.

This test is prepared for the purpose of finding out how good a motorist each auto owner is, in the southern part of the state.

If you can answer fifteen of the twenty-five questions asked by the club you may consider yourself a motorist of average ability. If you can answer twenty of the questions you may consider yourself of exceptional ability. If you can answer all of the questions, you are a motorist without a peer.

These questions, issued to the public today, are not "stickers," but are the average questions asked over the touring bureau counters every day in the week.

Here are the brain-teasers—see how many you can answer:

1. Where is Strong Station, California?
2. Where is the largest lumber mill in this state?
3. Where is Hobo Hot Springs?
4. How far can you drive into Lockwood Valley and where is this valley located?
5. Where is Triumpho?
6. Where is the detour located in Mint Canyon?
7. Where is Apple Valley?
8. Where is Paradise Valley?
9. What is the other name for San Gorgonio Mountains?
10. In what National park in California is Crystal Cave located?
11. Can cats or dogs be taken into Yosemite National park?
12. Where is Dog lake?
13. Where is Pre de Porka Pass?
14. Where is Baker Station? Give name of resort there?
15. Where is Blood, California?
16. Where is Delamar Resort?
17. Where is Peanut?
18. Where is Gold lake?
19. Where is Stove Pipe Wells?
20. Where is Wild Rose Canyon?
21. Where is Palamar mountains?
22. Where is Redman, California?
23. Where is the Pinnacles National forest?
24. Where is Dead Man's Point?
25. Where is the Rose mine?

Mr. and Mrs. Searles Entertain House Guests

Mr. and Mrs. James H. Searles of 470 Riverdale Drive have been entertaining as their house guests Mrs. Searles' brother and his family, Mr. and Mrs. W. A. Roberts, Willeta and Walter Roberts, of Imperial valley. Both Mr. Searles and Mr. Roberts are Elks and the two families have enjoyed a very busy week attending various parades and entertainments that featured the convention. Mr. and Mrs. Roberts plan to remain in Glendale until Monday or Tuesday of the coming week.

THE OFFERED OFFICER

Judge—Did the prisoner offer any resistance?

Copper—Only a dollar, yer honor, and I wouldn't take it.

VELIE
Gives You Most for Your Car Money

At the reduced prices recently announced Velie cars give you more value for every dollar invested, we believe, than any other automobile, regardless of price.

Velie cars are made by one of the largest, oldest and strongest industrial organizations in America. You can feel assured in buying a Velie that years hence, as well as today, Velie cars will set a standard of automobile values, and that your car will never be an "orphan."

Velie cars require but little service, but such service as you may desire is always available—anywhere, anytime—for the Velie organization is widespread in its scope and efficient in operation.

Velie cars command high resale values, because for eleven years Velie has been building good motor cars, possessing unusual endurance and operating at minimum cost.

Yet, today, the Velie Model 48, with its handsome, Velie-built body, and its standard, time-tested mechanical units can be bought for less than any other car using the famous Continental 7 R Motor and Timken Axles.

The power, riding qualities and other elements of performance of both the Models 48 and 34 cannot be described, but must be experienced.

To that end we ask that you phone or call to arrange for a ride in a Velie—to drive it yourself—and put it to the tests that you require of a motor car.

In Southern California

"Take All" Police Did!

First arrests for gambling with the "spinning top," sometimes known as the "teeter totem," were made in Los Angeles last night. The University station officers swooped down as a quartet considered the possibilities of winning a large "jackpot." "Take All" showed up on the hectagonal-shaped top and—the police did.

Leaves Jewelry in Shoe

Mrs. J. E. Mayer, wife of a Santa Monica doctor, left a $5,000 piece of jewelry in the toe of her shoe which she sent to the bootblack. Her husband hurried after and with the bootblack he went to the police station where the rich find was turned over to the owner.

Speedometer Ordinance Vetoed

Los Angeles' speedometer ordinance has been vetoed by Mayor George E. Cryer. He doesn't believe that such a law would not accomplish the desired results. It would seem very sensible that the ordinance not go into effect until such a time as motorists can drive over Alvarado and some of the other wonderfully rough boulevards without losing their speedometer chains.

To Battle Crime Wave

A county-wide constabulary is to be organized to curb the crime wave which is prevalent in Los Angeles county at present. The city police will co-operate with sheriff's office in this drastic move to blot out attacks on women and other fiendish crimes.

Split Verdict Is Rendered

W. J. Conner, convicted late yesterday by a jury in the federal court in Los Angeles on seventeen counts of a grand jury indictment charging misappropriation of funds of the National Bank and Trust company of Pasadena, today announced through his attorneys that appeal would be taken.

Conner is to come before Judge Bledsoe at 2 p. m. Monday for sentence. Formal appeal will be entered at that time.

Edward J. Pyle, former vice president of the Pasadena banking institution, was found not guilty yesterday by the same jury.

Radium Is Purchased By Belgian Red Cross

BRUSSELS—The Belgian Red Cross, it was announced here today, has purchased one gramme of radium in Colorado. The purchase price was one million francs.
mitted their allegiance to America numbered 6,208,362.

Evangelistic Services First Baptist Church

An innovation in evangelistic services is promised for tomorrow night at 7:30 p. m., in the First Baptist church. The services will be conducted by T. W. H. Liddecoat, a prominent layman of the Methodist church, and the founder of the Midnight Mission of Los Angeles. Assisting him will be his daughter, Mary E. Liddecoat, a prominent vocalist who will render appropriate selections, and J. C. Hall, known throughout the country as a stirring prohibition speaker.

The following musical program will be given:

Organ Solo—Miss Nell Stegner.
Orchestra Selection—Ulmer Family Orchestra.
Italian Song, "The Italian Nightingale"—Miss Clementina Palmese.
Cornet Solo—Irving Ulmer.
Tenor Solo—Howard Coy.
Duet—Misses Mattie and Louise Scherer.
Violin Solo—Carl Edward Hatch.
Baritone Solo—Lee Arthur Myers.
Brass Quartet, from First Methodist church, Los Angeles.
Soprano Solo—Mrs. Annie Helen Stadden, twelve years soloist First Methodist church, Los Angeles.
Cornet Duet—Irving Ulmer and Fred Eno.
Gospel Solo—Miss Ruth Clayton.
Trombone Solo—Professor Ridderhoff.
Orchestra Selection, "The Golden Trumphet"—Ulmer Family Orchestra.
Prof. W. Lee Davidson, Professor Ridderhoff, accompanists.

Mrs. Fae Fisher Is Hostess J. O. C. Class

The J. O. C. class of the West Glendale Methodist church held a business meeting and social gathering at the home of Mrs. Fae Fisher, 501 West Colorado boulevard, Friday night. About twenty members of the class were present and the business meeting was filled with enthusiasm and interest.

The constitution of the class, its by-laws and purposes were read and reports presented by the new officers, Mrs. Sara Hommer, president; Mrs. Camphouse, first vice president; Mrs. Fae Fisher, second vice president; Mrs. Hone, third vice president; Mrs. Howe, secretary; Mrs. Hemingway, treasurer.

During the social hour delicious refreshments were served by the hostess. Mrs. W. W. Cookman, teacher of the class, was especially pleased at the success and pleasure of the meeting.

It's a cruel world, mates. A man no sooner quits buying coal than he has to start buying ice.

Couple Kiss For 4 Minutes, 52 Seconds

NEW YORK—When the Mauretania was all ready to pull away from her dock here, a couple saying their farewells on the gang plank, blocked traffic for four minutes and fifty-two seconds by the steward's stop watch, while they kissed and embraced.

William A. Brady, at the dock to bid his daughter Alice farewell, declared: "They would censor that kiss on the screen."

The town of Peel, in the Isle of Man, has a woman clerk in the person of Miss Lillian Pringle, 19 years old.

Cattle Made Immune By Use Of New Serum

PARIS—The discovery of a serum rendering cattle immune to foot and mouth disease has been made by Professors Vallee and Carre of the Alfurtville agricultural research laboratory. This announcement was made to the agricultural commission of the senate by Senator Beaumont.

MORE MODEST, PERHAPS

Men, of course, are prouder of their college degrees than women; witness the fact that male college graduates of the class of '90 like to sport the figures after their names, and women do not.—Boston Transcript.

Illinois Farmers Will Stick to Wool Pool

SPRINGFIELD, Ill.—Illinois farmers are preparing for a huge wool pool this year, according to officials of the state agricultural association, who had charge of the pool last year.

One million and a half pounds of wool were pooled in the state last year. H. W. Mumford, director of the live stock marketing bureau of the Illinois Agricultural association, declares that future state wide co-operation in the marketing of wool was assured by the way farmers held together last year despite one of the fastest-falling markets in many years.

Growers who pooled their wool in 1920 received from two to fifteen cents more a pound than farmers who disposed individually of their wool, according to the reports of farm bureau advisors. While unorganized farmers were selling their wool for from ten to sixteen cents a pound, the state pool was holding two-thirds of its stock for prices of from twenty-five to thirty-two cents a pound.

Orders for sacks so far this year are already far ahead of the total orders of last year, and two cars of wool have been received in Chicago from Hancock and LaSalle counties.

Illinois, although standing tenth in wool production, is one of the ten states that are organizing wool pools for 1921. These state pools are the forerunners of a national pool that will ensure a better price for all wool growers in the United States, according to farm bureau officials.

One hundred thousand pounds of the wool pooled in Illinois was sent to spinning mills last January for farmers who had ordered blankets, suits, overcoats and auto robes to be made of a portion of their sheep's wool.

A junior student in Montana State college is the first woman ever to be named as ranger in Yellowstone National park. It is said she knows every hill and valley and point of interest in the big reserve. She has spent every summer of her life in the park.

DASH FOR PENNANT DUE FROM BOSTON BRAVES SOON

Just About This Time In 1914 That Team Made Its Famous Spurt

By HENRY L. FARRELL
United Press Staff Correspondent

NEW YORK, July 16.—Supposing the Boston Braves should win the pennant? There would be more "miracle man" talk. There would be a terrible jolt on form.

Of course, George Washington Grant isn't making world's series plans, but he's having fun reminding his friends that he "told them so." Last April he did say when the season was just getting under way that the experts were overlooking something when they didn't figure the Braves.

Fred Mitchell has shot life into a machine that wasn't highly regarded and he has them playing consistent ball. They have won eight games in a row and are closing in on the Giants.

Just About This Time

It was just about this time in 1914 that the tribe started its famous dash for the pennant. Another dash like that would mean the same thing.

On paper the Braves are only an ordinary club. There's no Ruth around with a bat and there's nothing spectacular about their actions on the field except an inclination to fight to the last minute.

It is the fighting qualities that are giving the club ninth inning rallies and ball games.

Big Time Is Planned for Pythian Knights

At the Castle Hall of Glendale Knights of Pythias lodge at the corner of Brand boulevard and Park avenue many visitors were present and fortunate to witness and participate in the big double initiation ceremony of the page and esquire ranks.

Many unusual features were brought out during the course of the work sufficient to insure a large attendance next Tuesday night when a large class of esquires will be trained in Pythian Knighthood.

These new members are the result of the drive now being conducted by the Glendale lodge and which is meeting with much success.

The present initiation fee will be nearly doubled after the close of this present membership drive.

Last Sunday a large number of Glendale and Van Nuys Pythians had an outing at Griffith park.

The feature of the picnic was a ball game in which the Pythian sisters and their big brothers vied with each other in piling up runs and strikes and such thrilling things.

The new K.-P. orchestra will be headliners next Tuesday night at which time the Van Nuys lodge will assist the local lodge in conferring the Knight rank on the largest class that this lodge has had for years. The "crowning event" of the evening will take place in the banquet room.

Number of Moves as Shown by City Service

Requests filed at the public service department for the transfer or installation of light or water meters, are as follows:

HUGE HERD OF ELK IS LEAVING FOR HOME PASTURES

Ten Thousand Attend Large Ball Last Night; Air Stunts Are Being Staged

With two big parades during the day and the grand ball last night at the Ambassador, yesterday marked the virtual close of the Elks' big reunion week. Although many of the visitors will remain over in Los Angeles and vicinity for a few days, the big exodus is already under way.

Following the two big morning parades, Pasadena became the headquarters for the visitors during the remainder of the day. The Grand Lodge officers and nearly 2000 of the delegates and relatives enjoyed the beauties of the famous Crown City of the South.

Grand Exalted Ruler William W. Mountain was the guest of honor at a luncheon given by the Pasadena Lodge No. 672 at the Hotel Vista Del Arroyo. Following the luncheon officers of the Grand Lodge had a birdseye view of Pasadena and the San Gabriel valley in airplane trips.

Great Ball Is Held

The final windup of the day's festivities took place at the Ambassador hotel last night when 10,000 Elks and their wives and sweethearts participated in the big ball. This event was confined strictly to lodge members. Six orchestras were in attendance, and before the night was over half a dozen dances were in progress in various parts of the mammoth hostelry. So great was the crush that it finally became necessary to close the doors to the waiting throng outside that had been unable to gain admittance.

For the benefit of those who remained over aviation stunts will be performed at the Los Angeles Speedway today. Many world-famous pilots are scheduled to take part in the numerous aerial demonstrations.

Los Angeles Lodge, No. 99, city officials and all those who participated in the many affairs given in behalf of the visiting delegates during the past week were the recipients of congratulatory messages during the day.

Watching Scoreboard

Yesterday's hero—Dick Kerr. The little White Sox hurler won the first extra inning contest of his major league career when he beat the Senators, 3 to 2, in eleven frames.

"Babe" Ruth got homer No. 35. The Yanks beat the Browns, 7 to 3.

Try Cobb went back into the game as a pinch hitter, but he couldn't do a thing and the Tigers lost to the Athletics, 3 to 2, in ten innings.

The Indians lost another pitchers' battle to the Red Sox, 3 to 2. Steve O'Neill appeared as a pinch hitter for the first time since May 3.

National league—Rain.

Erie railroad engine drivers, who have achieved a certain standard in the care and handling of their engines, are elected to the Order of Red Spot and a red spot is placed on the locomotive of the driver. A second degree of the order provides for the substitution of the engineer's name in gold letters for the number plate on his cab.

Worst Over and All Brazil Sees Prosperity

By MILES W. VAUGHN
United Press Staff Correspondent

RIO DE JANEIRO—It is the general opinion in well-informed business circles that the worst stage of the present financial and commercial crisis in Brazil has been passed, and that conditions from now on will show a gradual improvement until a new and stable basis for international commercial relations is reached.

Several factors have contributed to the recent ripples of optimism in commercial circles. The success of the $25,000,000 Brazilian loan, just floated in New York, is, of course, the most gratifying indication. Commercial circles here interpret the fact that the loan was over-subscribed in three hours as a proof that the foreign credit of the republic is still sound in the United States.

The slight improvement in exchange, resulting from the loan, and the gradual increase in the price of coffee also have provided ammunition for optimists.

The present crisis apparently is affecting the northern states worse than any other district. Dispatches from Para and Pernambuco declare that the rubber and cocoa markets virtually have disappeared—offerings finding few buyers at any price.

In Sao Paulo, the "Bulwark of the Nation," the critical condition has been aggravated by the recent cattle plague, which has necessitated the killing of hundreds of valuable animals and has ruined some farmers.

American meat packing companies, which now are operating extensively in Sao Paulo and Rio Grande de Sul, have been especially hard hit, since embargoes stopped all export shipments and butchering had to be suspended.

However, the optimists declare that the "Rinderpest" now is virtually stamped out, the coffee markets improving, the foreign credit of the country established and that all signs point to a gradual business recovery.

Miss Catherine Chambers has received appointment as a court bailiff in Cleveland.

Poll Tax May Bring Intricate Damage Suit

OAKLAND—An intricate damage suit looms here with County Clerk George P. Goss as defendant, following the statement of Col. John P. Irish that he would sue the county official if an attempt was made to collect the state alien poll tax.

Female silk workers in China have been granted an increase in wages for a twelve-hour day of from 20 to 30 cents.

Prefer Screen Careers To Work As Servants

NEW YORK—Several hundred Irish immigrant girls arrived on the Celtic, seeking careers as movie actresses, artist models and stenographers. Few expressed any desire to enter domestic service.

Ever since his midshipman days, King George has been collecting postage stamps. He is the only monarch sufficiently interested in this pastime to have a special official in charge of his collection.
